Student Participation

The hands are a holographically complete energetic medicine system. All structures and organs of the body and the complete meridian system are represented in miniature on the hands. Stimulation of hand meridians has powerful effects on all systems of the body.

In this seminar each participant will develop an energetic diagnosis, based on Yin-Yang Pulse and Three Constitutions Abdominal Diagnosis. A treatment plan will then be created and applied.

Both theory and in-class skill practice are emphasized in the seminar.

Key Seminar Concepts:

Yin-Yang Pulse and Differential Pulse Diagnosis
Three Constitutions Abdominal Diagnosis
Eight Extra Hand Meridian Therapy
Micro Meridian Hand Therapy for Pulse Balancing
Ring Therapy
14 Hand Meridian Functions, Locations and Applications
Practice in pulse diagnosis, treatment planning and application

Who Can Benefit: KHT seminars and training programs have been provided in the US, Canada and Mexico to acupuncturists, physicians, nurse practitioners, physician assistants, nurses, chiropractors, physical therapists, and massage therapists and other complementary health system providers.

Instructor: Dr. Dan Lobash, Ph.D., L.Ac. has been studying and applying Traditional Oriental Medicine since 1980 and began his studies with the founder of Korean Hand Therapy in 1988. He has been teaching KHT throughout the US, Canada and Mexico. He is a graduate of the University of Minnesota, United States International University, Five Branches College of TCM and California Institute for Human Science.
