Correspondence-General Overview—— Level 1

The illustrations are overlaid with the corresponding body areas, organ locations and the skeletal system. Included is a Key to Meridian names and back transport (Shu) points. This full-color design makes learning the relationships of hand and body easy so is ideal for patient education.

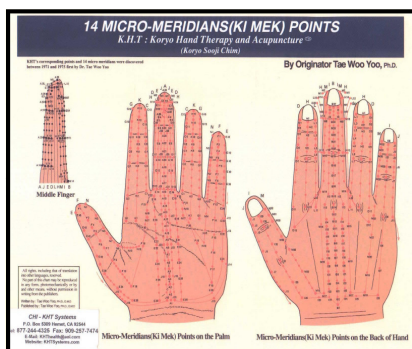

Color Laminated 8 1/2 x 11"

Correspondence- Specific Locations—— Level 2

Alarm points (front mu) transport (back shu) and specific corresponding treatment points are illustrated (i.e. eye, tooth, scapula, etc). These detailed charts are excellent quick references for the practitioner.
